

"Everyday Man" Lyrics

*Written by Marcy Each, Belinda Smith, and Jennie Lee

Verse 1

He gets up before the sunrise every morning
Just to praise the Lord / and waken up the day
Take his King James to the table / sips his coffee
And gathers strength / as he turns each yellowed page

Verse 2

Oh those words are the only truths he lives by
And every neighbor's need / becomes his very own
If he looks you in the eye / you know he means it
And the man you see / is the same good man at home

Chorus

He is an everyday man / with an everyday life
Don't seem like much / looking in from the outside
But what you cannot see / is what you need to understand
It's an everyday faith / that makes an everyday man

Verse 2

A whole day's worth of work / is on his farm boots

The sun is setting / as he wrestles with his boys

Then he holds the only girl / he's ever wanted

And he loves 'em all / like he never had a choice

Bridge

One day his face will show the weathered lines

Age will always chase us down and steal our time

But everything he sowed / he'll surely reap

'Cause everything he taught / will help us be
