

# "Heaven Hear My Prayer" Lyrics

*Written by Marcy Each and Wayne Haun*

## **Verse 1**

**For the hungry child / for the undesired  
For the world's disease / for those searching peace  
I humbly bow / knowing you are there  
Heaven hear my heart / heaven hear my prayer**

## **Chorus**

**Heaven hear my prayer / and taste my tears  
For the fallen souls and wasted years  
Soothe my pain and hold my cares  
Heaven hear my heart / heaven hear my prayer**

## **Verse 2**

**For the broken lands / for the healing hands  
For the war and strife / for that ending life  
Take all the burdens that we bear  
Heaven hear my heart / heaven hear my prayer**
