

# "Hunger Mountain Road" Lyrics

*Written by Marcy Each, Lyn Rowell, and Jennie Lee Riddle*

## Verse 1

Night is falling / fast all across the land

My feet have walked this path before

And I know it like the back of my hand

It's the only choice / I'm thirsty way down deep

I've got to brave the barren sands / to drink from the desert  
streams

## Chorus

It'll be worth it all I know

Step by step I am gonna go

Straight up hunger mountain road

Straight up hunger mountain road

## Verse 2

I hear it calling / that same old trumpet sound

Stronger than the siren's song

Rising higher / it's getting loud

Oh ravens feed me / river flow from the rock

Sun you will not set just yet / 'cause I'm not ready to stop

# **Bridge**

**I am not alone / the Holy Ghost is my company**

**I am heading home / the Lord is waiting at the top for me**
