

# **"Walk Me Home" Lyrics**

*Written by Marcy Each, Thomas Dorsey, and Jennie Lee Riddle*

## **Verse 1**

**Softly and tenderly / I hear you calling me back**

**To where I belong / time's quickly passing by**

**I should be leaving right now / my time here is done**

## **Chorus**

**Would you walk me home / would you walk me home**

**Would you take my hands in yours / and walk me home**

**Through the night / through the storm**

**I am tired / I'm weak, I'm worn**

**Precious Lord / walk me home**

## **Verse 2**

**I'll lace up my traveling shoes / & long for the day I'll move on**

**And never turn back / I know every struggle**

**Will be worth the trouble / to get to that promised land**

## **Bridge**

**Hear my cry / Hear my call**

**Hold my hand / lest I fall**

**Precious Lord / take my hand**
